## COMMERCIAL PHOTOGRAPHY

We can imprint up to 8 lines per slide, but while the cost for more lines is additional, it is not necessarily \$.05 per line. We need to know how many lines you need, the exact text on each line, and the quantity of slides to be imprinted in order to quote a price.

Collating your completed slides is \$.05 each. We can load your slides into top-loading plastic sheets at \$1.50 per sheet of 20 slides. We charge \$2.50 to load an 80-capacity tray and \$3.50 to load a 140-capacity tray. Slides not loaded into sheets or trays will be delivered in plastic boxes at no cost. Extra boxes or sheets cost \$.75 each when ordered with slide production.
